

Walton Road County Government Building

Budget: \$50,000 artwork and installation
 \$7,500 maintenance
 \$7,500 program support
 \$65,000 Program total

The site is on Walton Road in Port St. Lucie. Walton Road is the last thoroughfare to the Indian River Lagoon in the South County. The government office building site is adjacent to an underutilized shopping and business center that the City of Port St. Lucie will renovate as "City Center."

The artwork could express the exponential expansion of the South County but any theme, subject matter or abstract concept will be acceptable. The main requirements are aesthetic excellence and appropriateness to the site.

The commission is open to all artists. The selection panel will solicit slides and qualifying information in order to select three artists to submit detailed proposals and maquettes. The program will pay each finalist an honorarium of \$600 for their proposal. The selection panel will recommend an artist to execute the project.

The exterior of the building is ideal for a sculptural installation. A smaller sculpture may be appropriate for the courtyard that faces the parking lot. The large common area inside of the building..

Application Information for All Commissioned Projects

Artist Eligibility

The request for qualifications for the listed projects is open to all artists or artist-teams that can demonstrate a level of experience and professionalism that is commensurate with each project's scope and budget.

Art Budgets

The art budgets listed with all projects must cover all costs associated with each project including: design, production, transport, installation, site preparation, travel expenses, permits, taxes and insurance as required.

Submission Requirements

Artists are required to submit separate applications (including slides) for each project.

To be considered, the following items must be received or postmarked by the deadline date associated with each of the projects.

Note: Staple or paper clip 8 sets of items 1, 2 and 3 (in this order) as described below:

- 1.) **Artist's Statement of Interest (one page maximum)-8 copies.** A brief statement that outlines the direction of the artist's work might take in response to this project as well as any background information that highlights the artist's qualifications and ability to complete the project.
- 2.) **Resume-8 copies.** A current artist's resume, with emphasis on public art experience (if any). Please include budget amount for all projects and indicate team member role if project is a design collaboration.
- 3.) **Annotated Slide List-8 copies.** A typewritten slide identification list that includes: title of the work, medium, dimensions, date completed, project budget and a brief description of the artwork (if necessary). Please use large fonts since these will be referenced while viewing slides. Include the artist's name, address and telephone number on this sheet.
- 4.) **Slides.** Six to Ten 35-mm slides, labeled with the following information: artist's name, title of work, number that corresponds to the annotated slide list and an indication of the top and correct side of the slide. These slides should be indicative of the type of work that would be appropriate for this project and presented in a clear plastic slide sheet.
- 5.) **Reference List.** 1 copy. Name, address, telephone number and email address of three references. (Do not ask anyone to send a letter of reference.)
- 6.) **Self addressed, stamped envelope** for the return of the artist's slides.

Please Note: Incomplete or late submissions will be eliminated from the review process. Do not send detailed proposals at this time-only preliminary ideas. Do not send materials other than those requested. No artist's reviews or catalogs. Only artist's slides will be returned-only if a self addressed, stamped envelope is included for that purpose.

The artist selection panel will select from three to five finalists for final review. Finalists will be invited to submit a final, site-specific design and project budget. Honorariums, varying from project to project, will be available to finalists that prepare proposals.

The Selection Panel's recommendations will be forwarded to the Cultural Affairs Council for affirmation and then to the Board of County Commissioners for final approval, prior to the award of a contract. Upon approval, a contract for this commission will be arranged between the artist and St. Lucie County.

All artists will be notified about the outcome of their submissions. Please do not call or email for an update on the status of the submission after the submission due date.

Submit applications to:
Jon Ward, Director of Cultural Affairs
St. Lucie County Cultural Affairs Department
600 North Indian River Drive
Ft. Pierce, FL 34950
